megarack cargo systems

Quick and easy installation, without removing seat!

Rubber traction dots help keep loads in place

Lightweight, less than 850 grams

Important Safety Notes

1. Install Post Porter as low as possible to minimize stress on the seatpost.
2. The Post Porter rack is only as strong as the post that it is fastened to. Do not carry loads over 40 lbs.
3. **Never** use this rack as a seat.
